

# FORESIGHT STUDIO

YOUR SPRINT TO THE FUTURE

## NEXT DIGITAL

What will be the next  
big thing?

An innovative format from

# Be ready for the next digital wave

Digital technologies are buzzing everywhere. Some are magical and blow our minds. Some are future game changers, while others are just a flash in the pan. 6G, quantum computing or emphatic machines - explore the fascinating world of digital technologies with us – and find out, which one(s) will help your company to create the “next big thing”.

*Curious?*
