YOUR SPRINT TO THE FUTURE

## NEW CLIMATE IMPERATIVE

How can you become a  
decarbonisation role model?

An innovative format from

# Seize the green opportunity!

Climate change is here to stay. So is the public debate about it. Businesses need to slash carbon emissions and renew their license to operate. What a great opportunity! Slip into the cape of a climate superhero with us in this creative workshop session, and find out how to get ahead of the competition while tackling the climate challenge.
